USER MANUAL

Center Portal

For colleges and hostels running the MSYEP programme

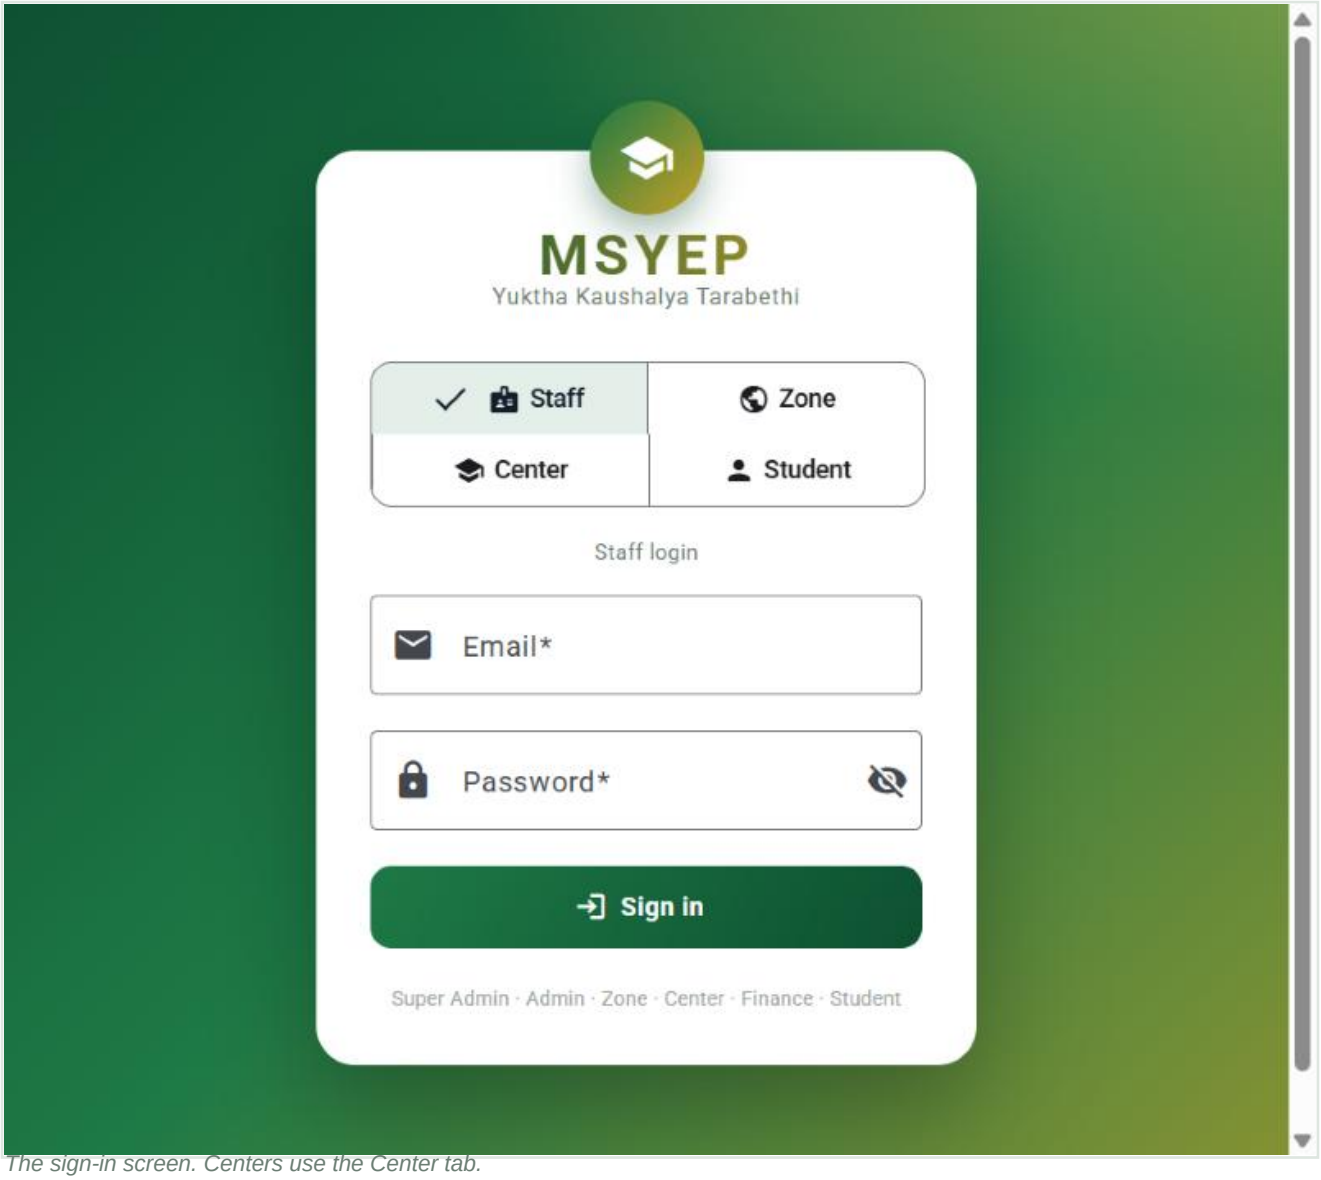

This manual covers everything a center does in MSYEP: keeping your own details up to date, adding and managing your students, filling in your eight training programmes, and downloading documents.

In this manual

1. Signing in
2. Your portal at a glance
3. My Center
4. Students
5. KP-MSYEP SOW - your eight programmes
6. Resource Person
7. If something goes wrong

Version 1.1 · 23 October 2026

Signing in

The sign-in screen. Centers use the Center tab.

1. Click the Center button.
2. Enter the Center Mail-ID that was registered as your User ID.
3. Enter your password. The eye icon shows what you typed.
4. Click Sign in.

> If you see "Waking up the server...", wait up to a minute. The server sleeps when it has not been used and has to start up again.

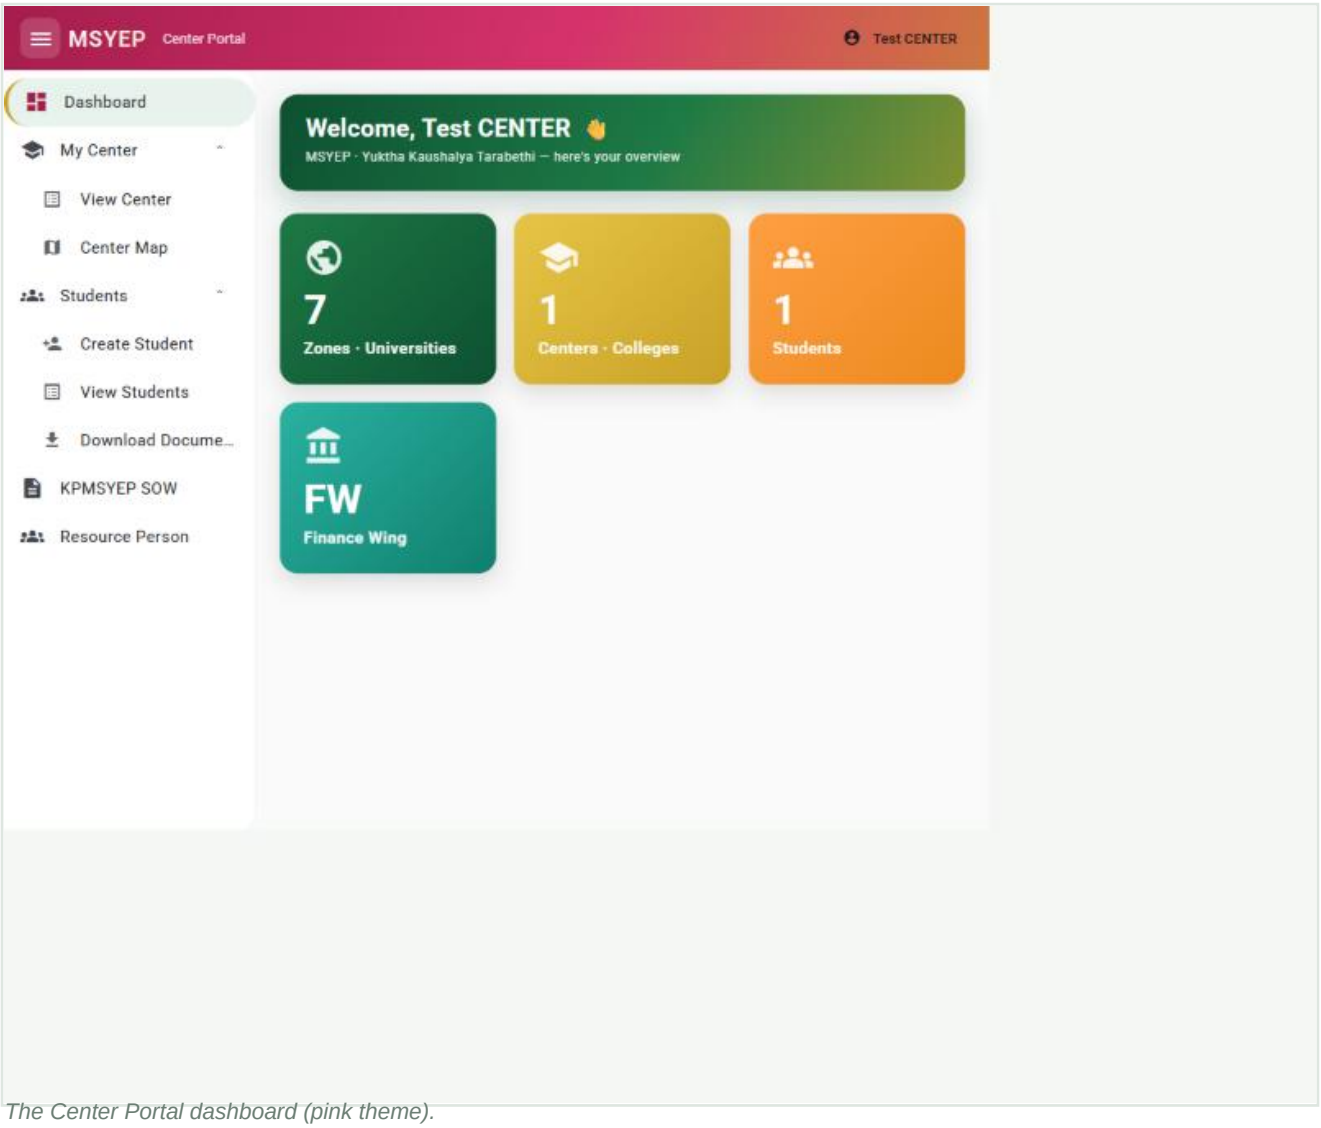

New center?

A college can register itself. On the Center tab click "New center? Register as a Center" and complete the form. You choose your own Mail-ID and password, and can sign in as soon as it is submitted.

Forgotten your password?

Only an MSYEP administrator can reset it. Contact them and they will set a new one from the Logins page.

Your portal at a glance

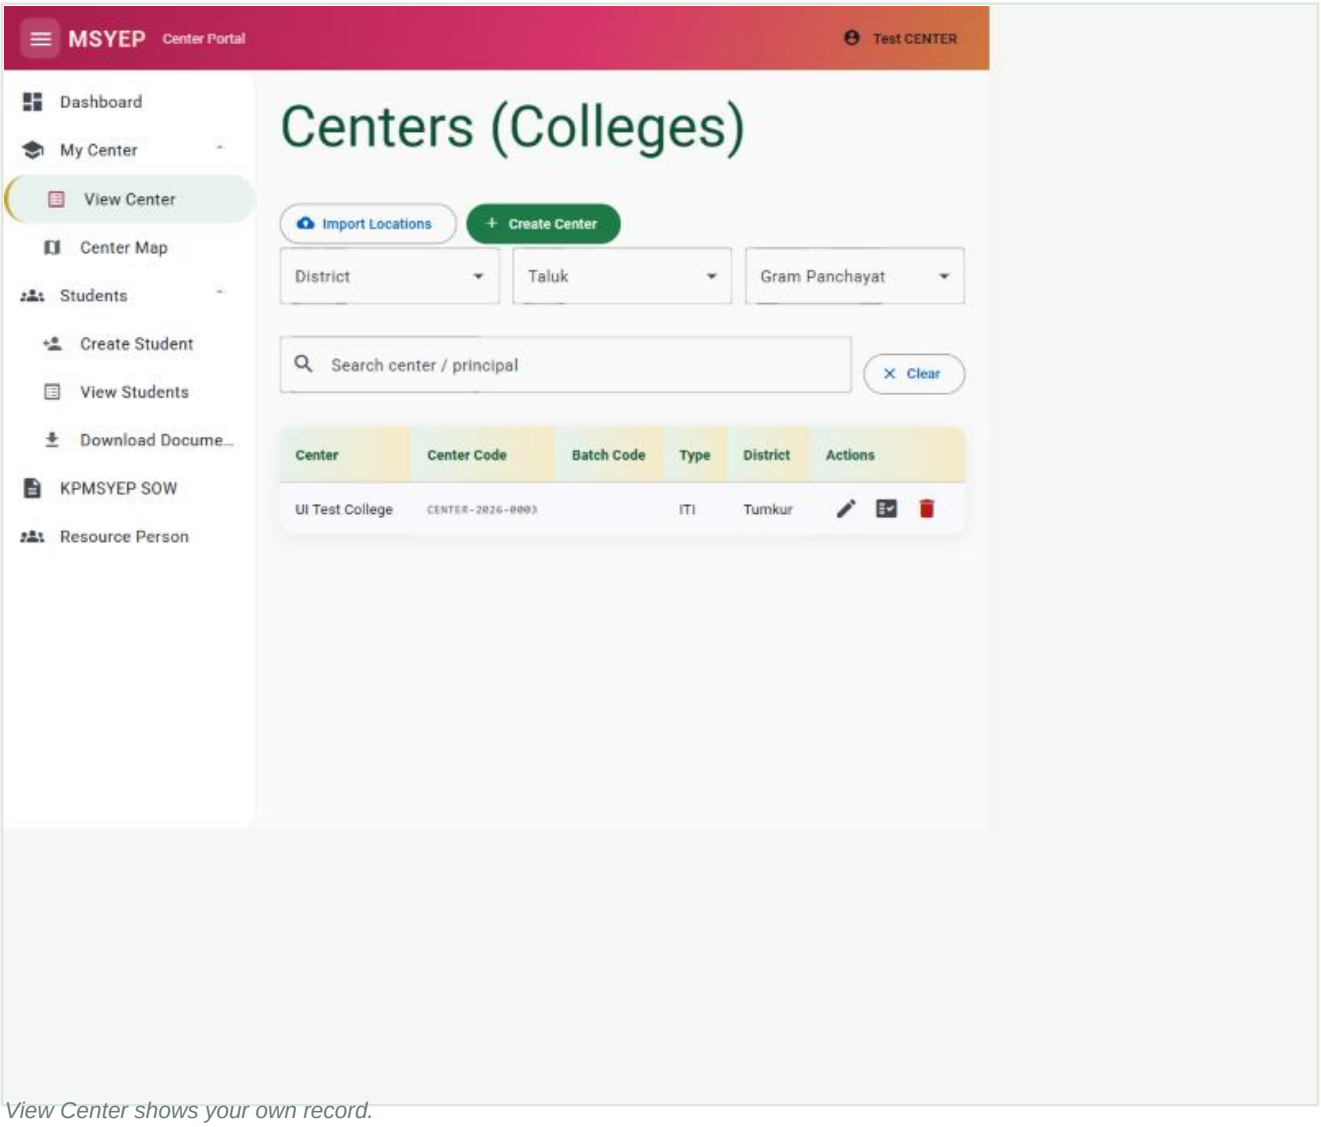

The Center Portal dashboard (pink theme).

- The tiles show how many zones, centers and students you can see. Your student count covers your center only.
- My Center - view your own details and your location on the map.
- Students - create students, view them, and download their documents.
- KPMSYEP SOW - your eight training programmes.
- Resource Person - the resource people attached to your center.

> A center can see and edit only its own record and its own students. You cannot create another center or see other colleges' data.

My Center

View Center shows your own record.

Your center record holds everything about your institution. Click the pencil to edit. The form has six tabs and a completion bar - you can save and come back.

Tab 1 - Academic & Type

Field	What to enter
Academic Year	The year this record covers.
Center Academic Start / End Month	Your academic calendar.
Select Center Type	College, hostel or other.

Students

Create Student

Students usually register themselves from the login page. Use Create Student when you need to add someone yourself. The form has seven tabs.

Field	What to enter
Account	Student Name, Student Email, Mobile No.
Personal Details	Gender, Date of Birth, Caste, Father Name, Mother Name.
Education	School and college studied, percentage or CGPA, year of passing, stream or course for SSLC, PU/Diploma and Degree.
Job	Current qualification, internship interest, hobbies, a long technical-skills checklist, and career goal.
Address	Zone and Center (required), state, district, taluk, village/GP, pincode, native place, hostel, postal address.

MSYEP Allotments	Course joining date and the college / hostel they are placed at.
Documents	Seven upload slots - photo, Aadhaar, marks cards and so on.

> The Password boxes on the Account tab are optional. Fill them in and the student can sign in immediately with their mobile number or email. Leave them blank and an administrator must set a password later from the Logins page before the student can get in.

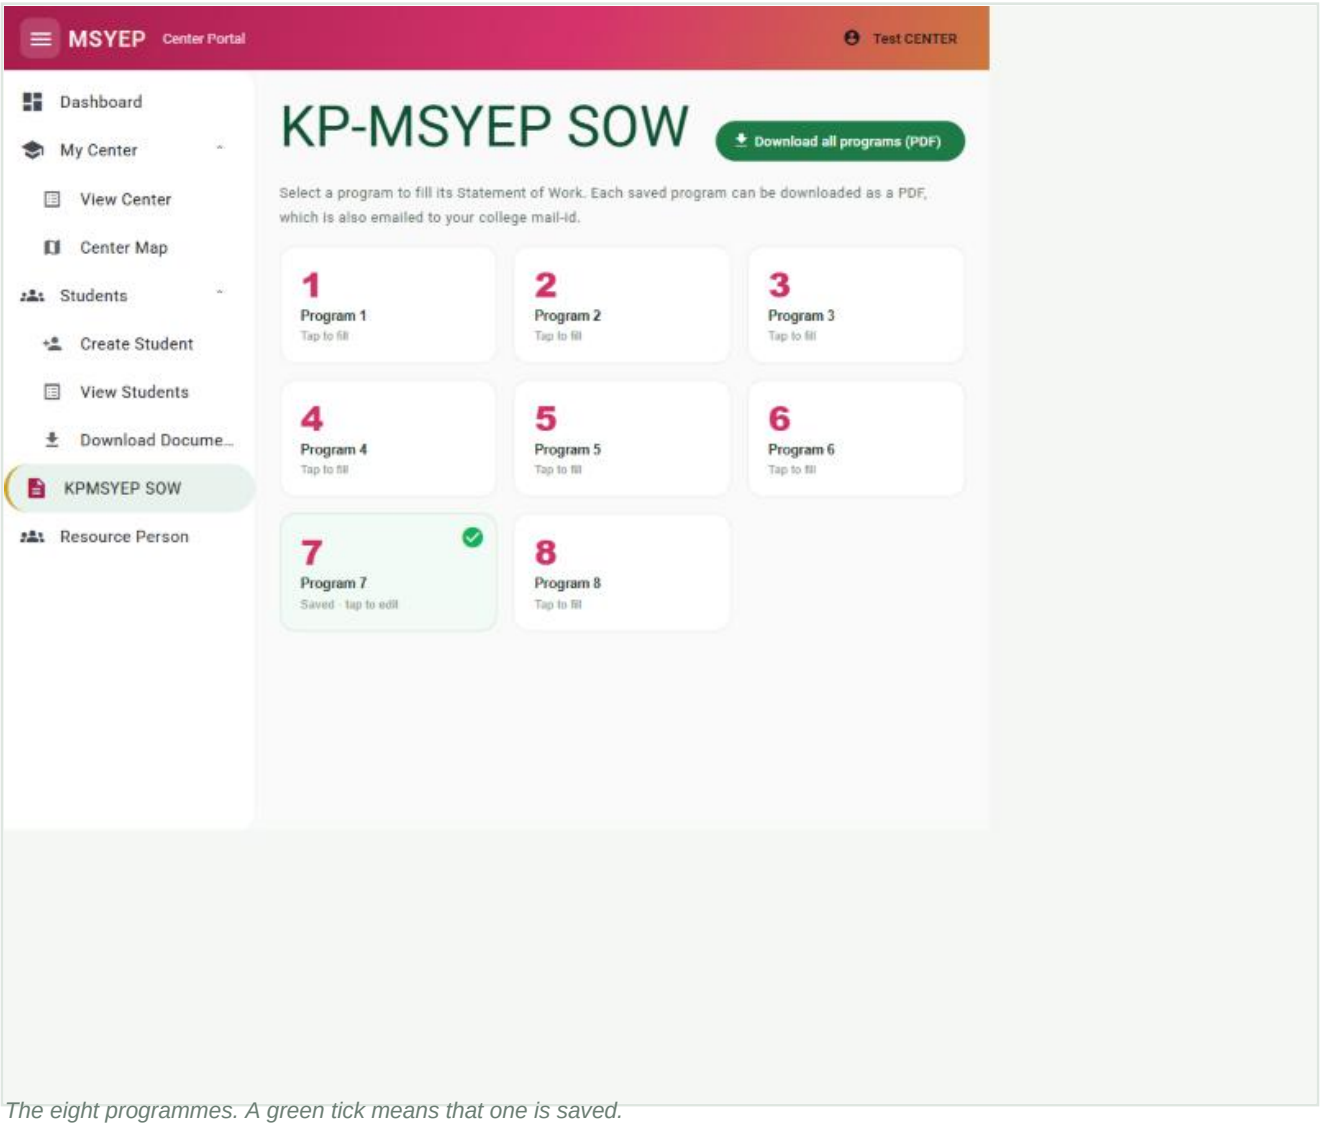

View Students

- Filter by District, Taluk, Gram Panchayat or Caste, or search by name, registration number or email.
- The pencil edits a record; the eye opens the full profile; the PDF icon downloads their documents.
- Export to Excel downloads whatever your filters are currently showing.

Download Documents

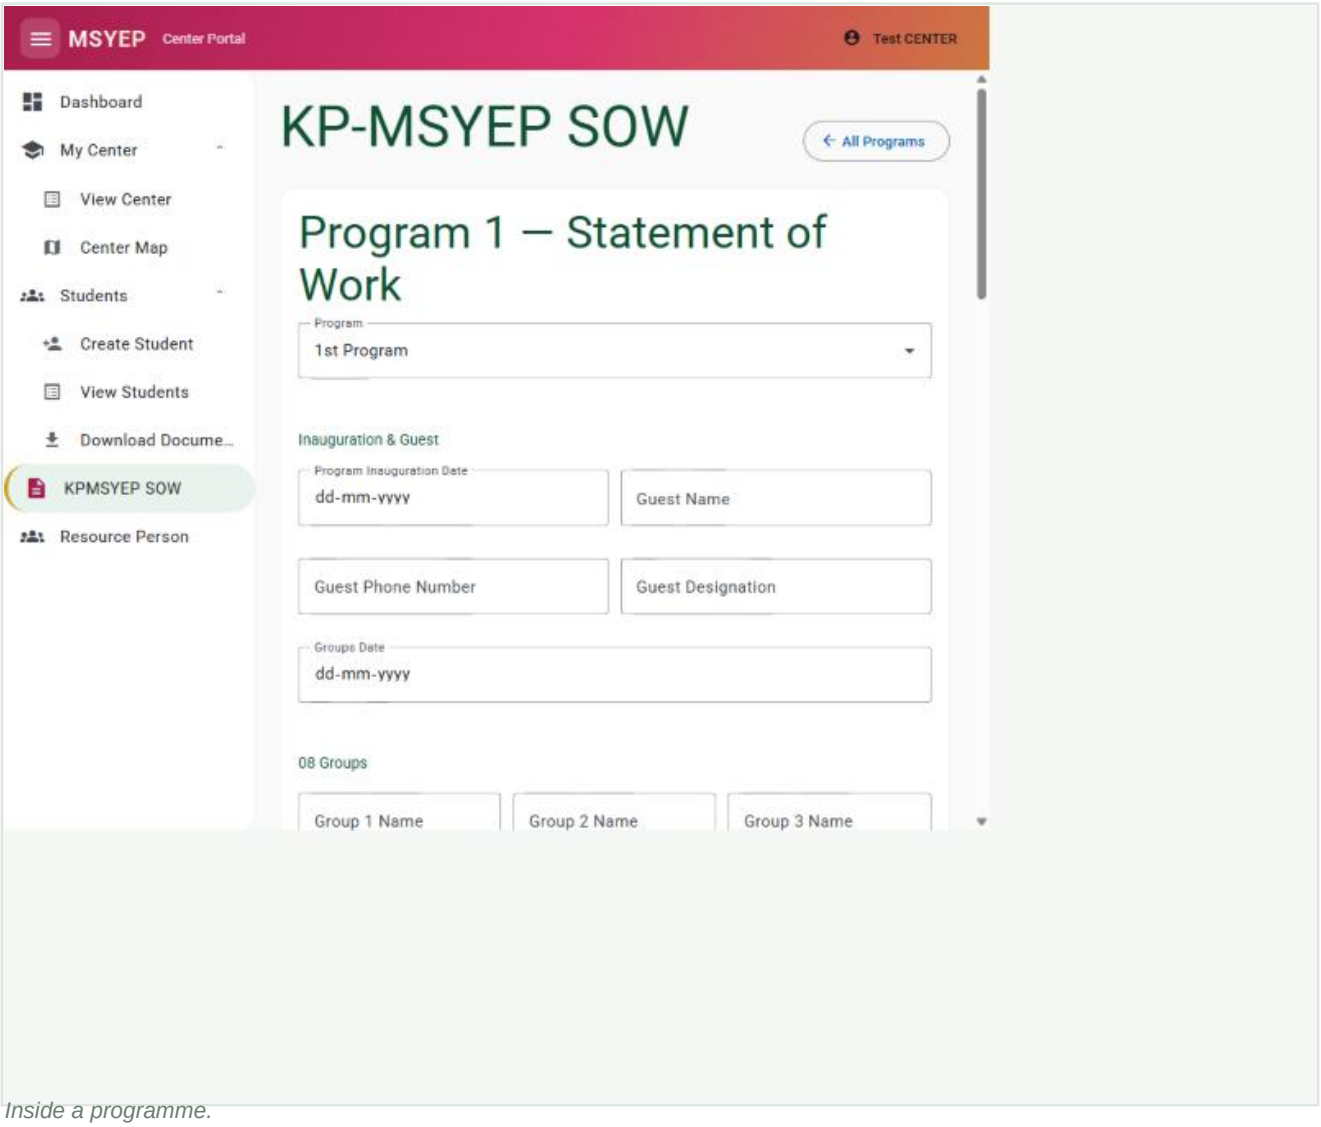

1. Choose a Doc Type, or leave it on All.
2. Narrow the list with the filters or the search box.
3. Tick the students you want, or use Select all.
4. Click Download - the button shows how many are selected.

KP-MSYEP SOW - your eight programmes

The eight programmes. A green tick means that one is saved.

Each programme is a Statement of Work describing one training event you ran: who spoke, who took part, and photographs of the day. Tap any tile to fill it in; tiles you have saved show "Saved - tap to edit".

Inside a programme.

Photographs

Each part of the programme has a photo slot - the programme letter, anchoring, welcome speech, preamble reading, the three queries, vote of thanks, honouring, taking the guest opinion and the guest opinion itself. Upload one photo per slot.

- Upload the photo at whatever size you have - the whole picture is kept, nothing is cropped.
- Click any photo to open it full size and check it.
- Photos appear in the generated PDF as a single-page gallery with captions.

Downloading the PDF

1. Fill in a programme and click Save.
2. Use Download on that programme for just that one, or "Download all programs (PDF)" at the top for all eight.
3. The file is named KP-MSYEP-Training-Programs.pdf.
4. A copy is also emailed automatically to your center mail-id.

> Each page is headed "KP-MSYEP Training Program 1" through 8, with your college name underneath.

Resource Person

Lists the resource people attached to your center - the trainers and specialists who deliver sessions. Your zone and center are already selected for you.

If something goes wrong
