USER MANUAL

Finance Wing

For the MSYEP finance team

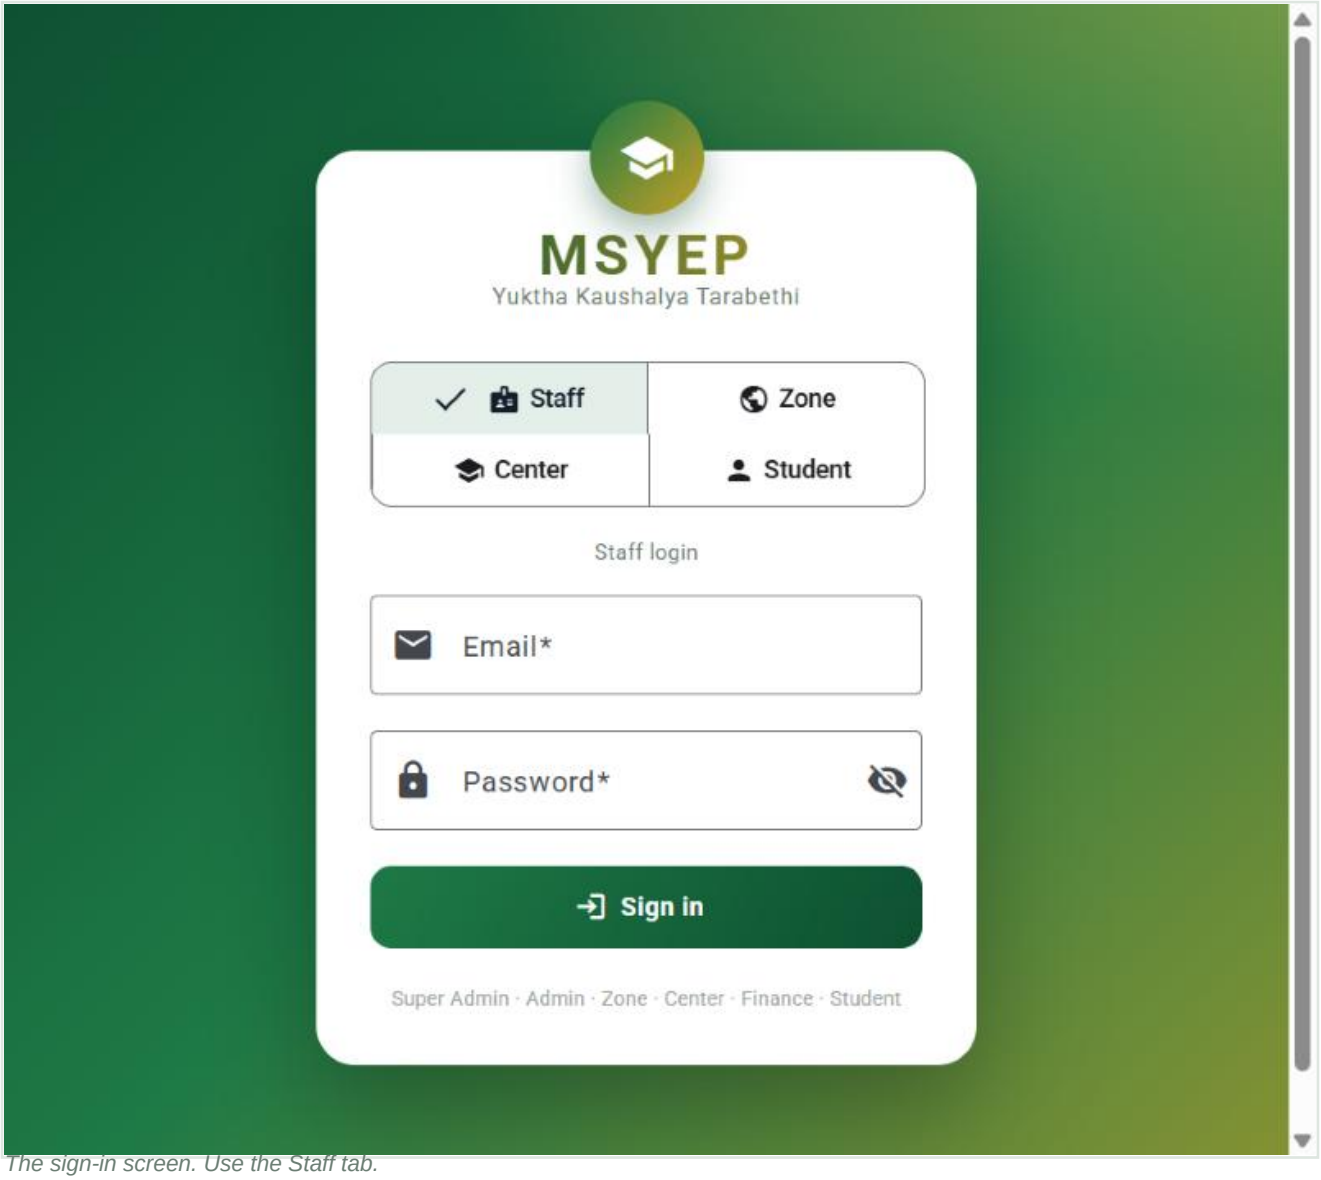

The Finance Wing sends students' FW documents to their Gram Panchayat and keeps the list of Gram Panchayat mail IDs up to date. This manual covers both, plus the student screens you can reach.

In this manual

1. Signing in
2. Sending documents to a Gram Panchayat
3. Gram Panchayat Mail IDs
4. Students
5. If something goes wrong

Version 1.1 · 23 October 2026

Signing in

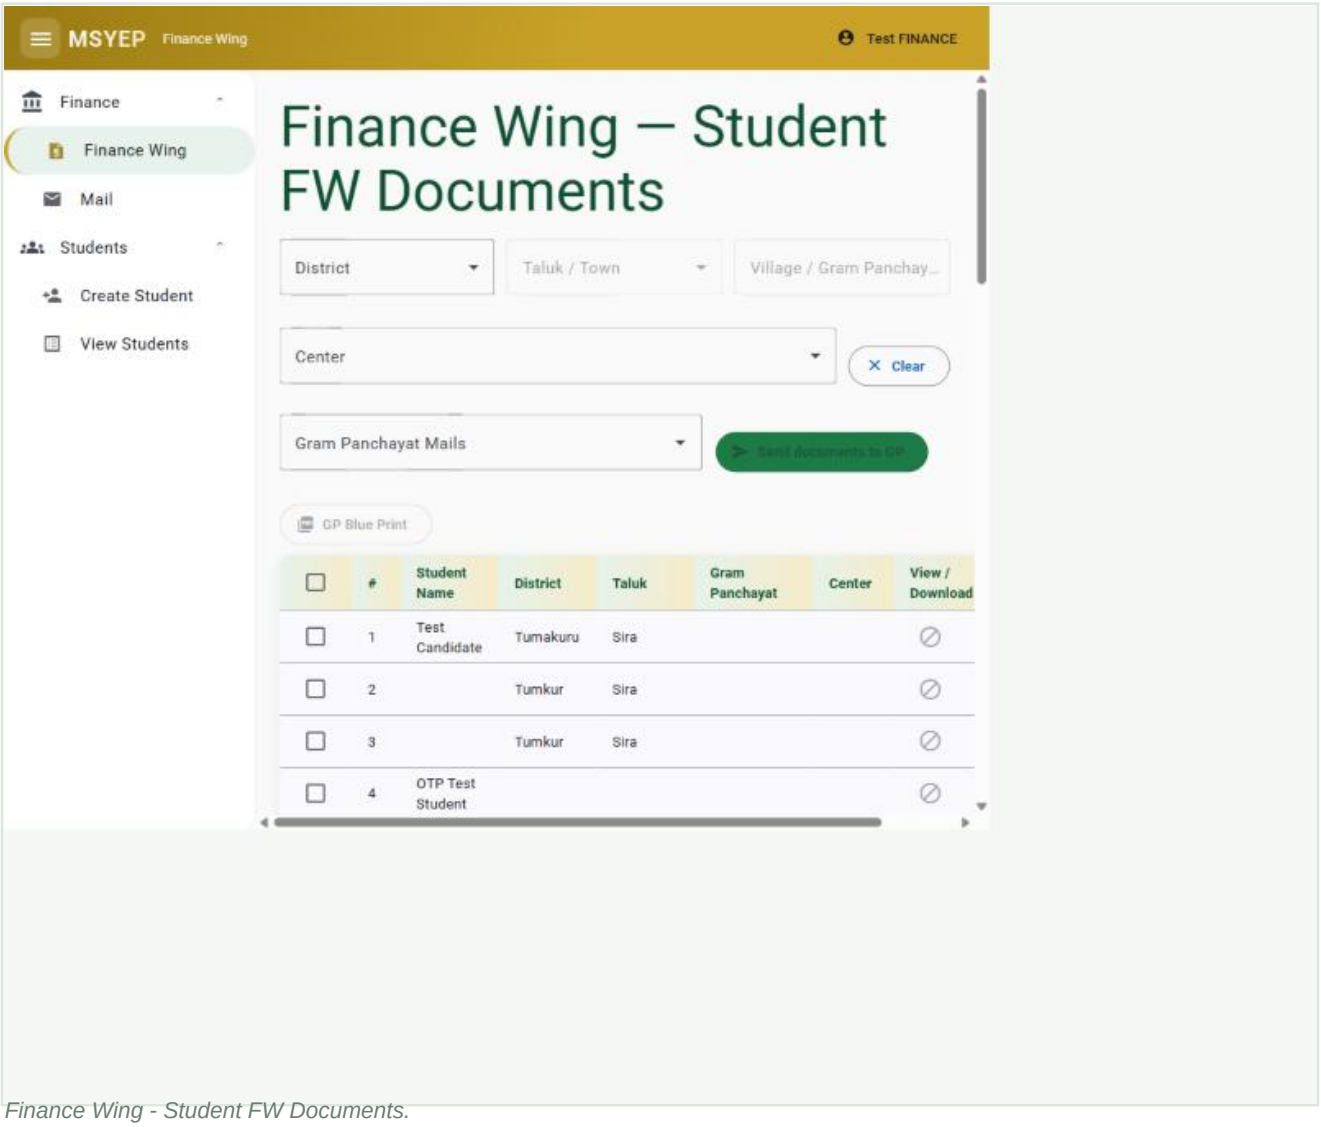

The sign-in screen. Use the Staff tab.

1. Leave the selector on Staff - your account's role decides which portal opens.
2. Enter your email and password. The eye icon shows what you typed.
3. Click Sign in. You land straight on the Finance Wing, not a dashboard.

> If you see "Waking up the server...", wait up to a minute - the server sleeps when idle.

Sending documents to a Gram Panchayat

Finance Wing - Student FW Documents.

The filters

Field	What to enter
District	Narrow to one district.
Taluk / Town	Fills in once a district is chosen.
Village / Gram Panchayat	Fills in once a taluk is chosen.
Center	Narrow to one college.
Clear	Resets every filter.

Sending

1. Use the filters to bring up the students you need.
2. Tick them in the table. The tickbox in the header selects everyone shown.
3. Check Gram Panchayat Mails - the GP email is filled in automatically from the mapping table. You can pick different or extra recipients.
4. If you want the GP packet attached, click GP Blue Print first.
5. Click Send documents to GP.

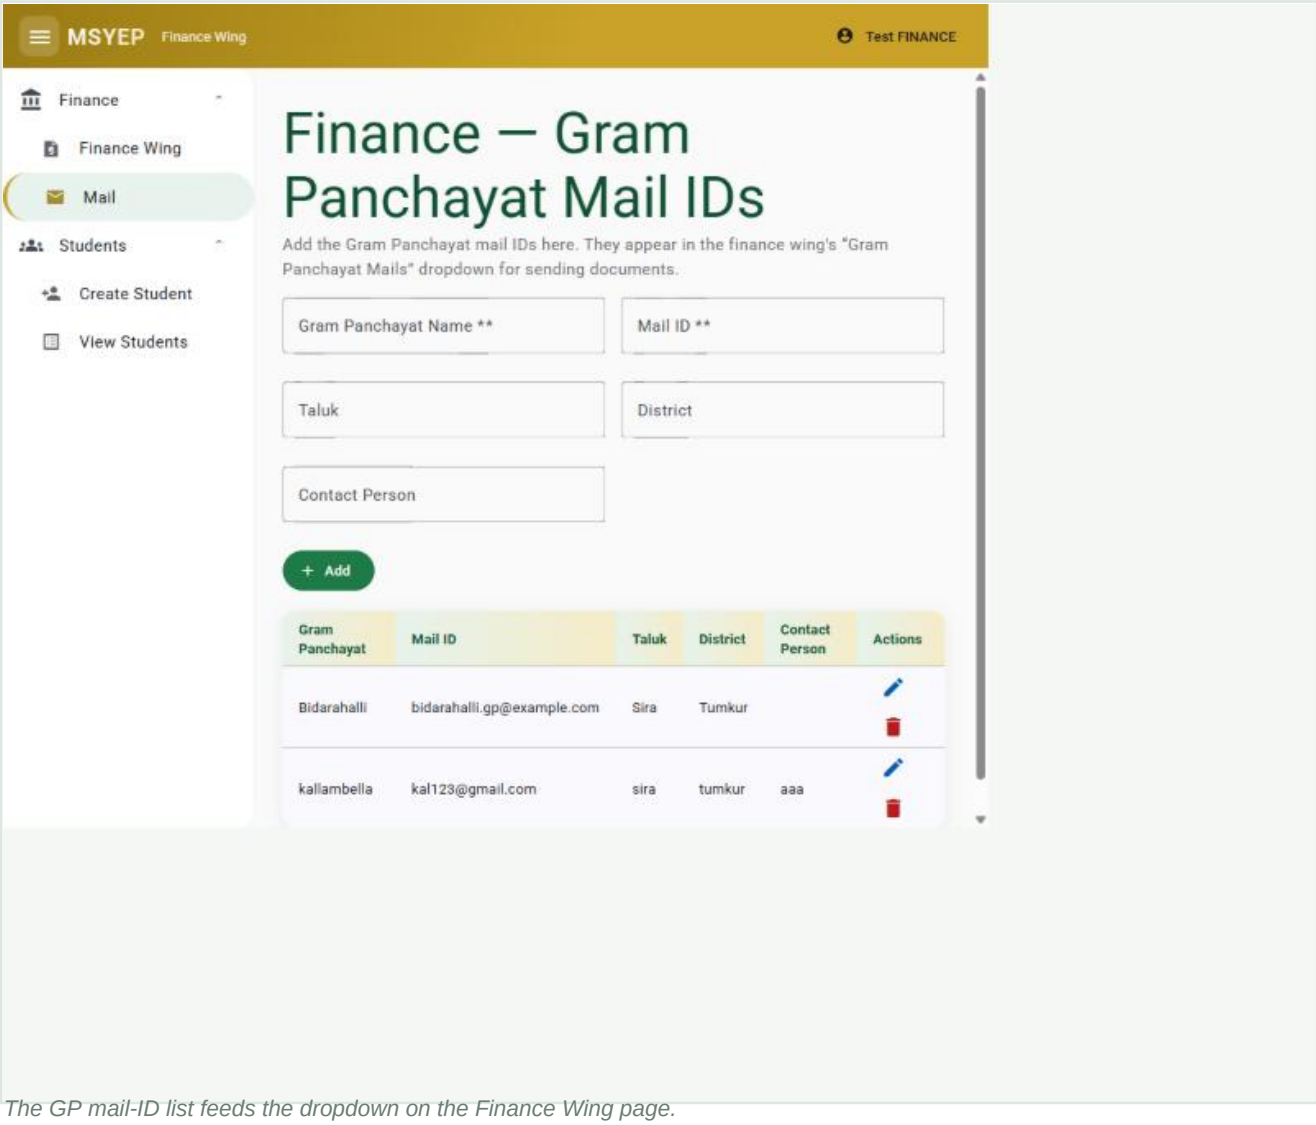

> Each student is sent as a separate mail, so one failure does not stop the rest. The outcome for every student is recorded - see the history under Finance -> Mail.

What the results mean

Field	What to enter
SENT	Delivered to the listed address.
NO_GP_EMAIL	That student's Gram Panchayat has no mail ID. Add it on the Mail page.
FAILED	The mail server could not be reached. Try again.
NOT_FOUND	The student record could not be read.

The View / Download column lets you open a student's documents before you send them.

Gram Panchayat Mail IDs

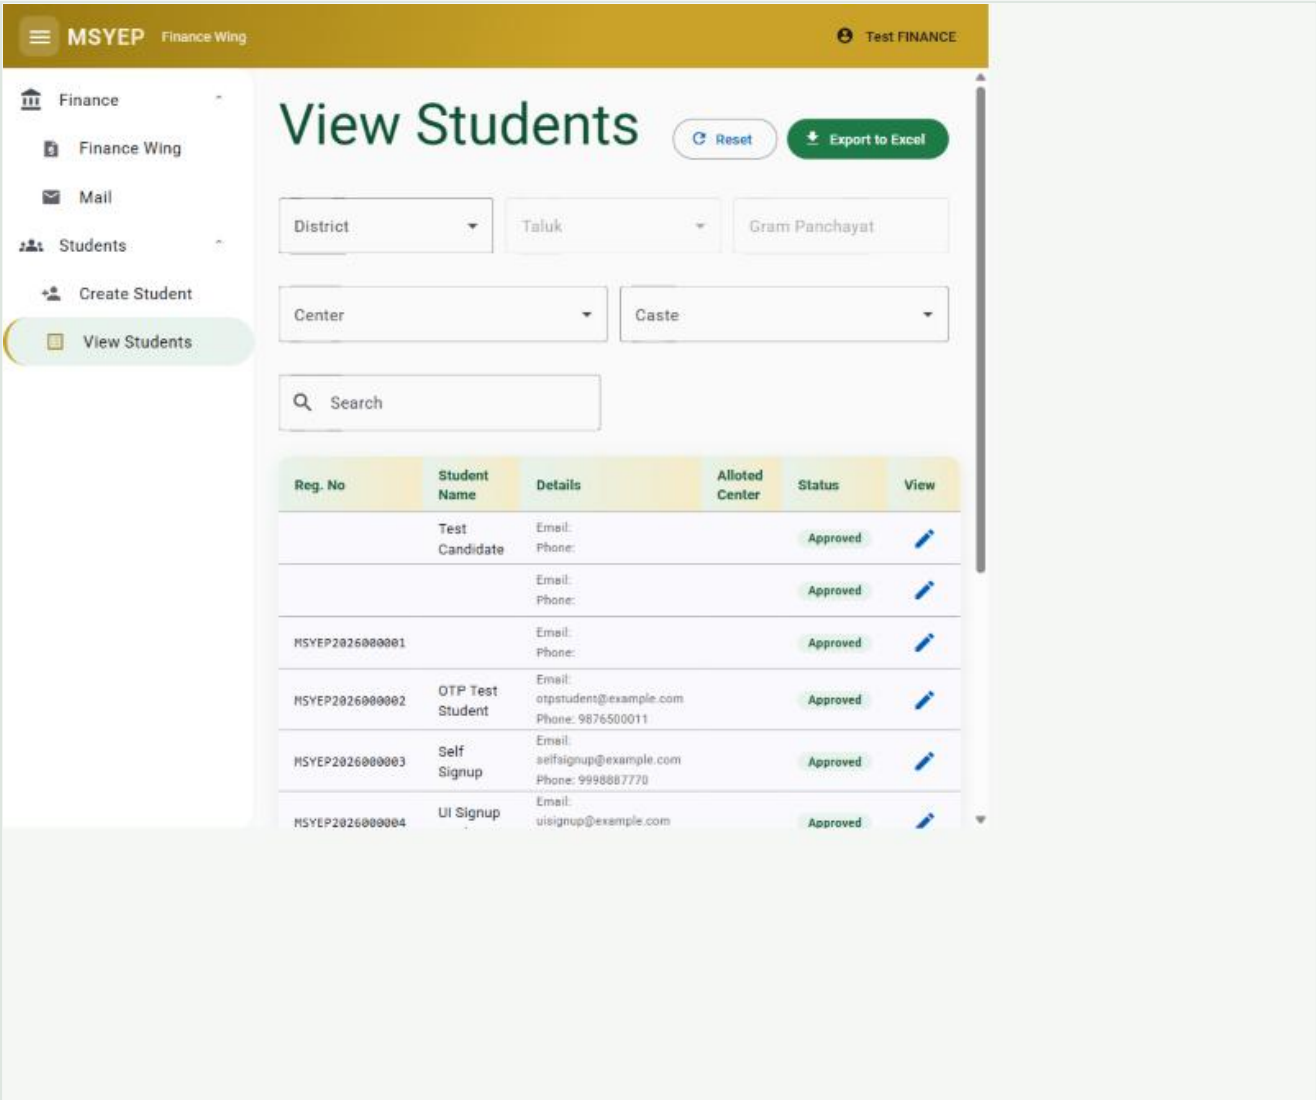

The GP mail-ID list feeds the dropdown on the Finance Wing page.

Everything you add here appears in the "Gram Panchayat Mails" dropdown used for sending. Keep it current - a missing entry is why a student shows NO_GP_EMAIL.

Field	What to enter
Gram Panchayat Name	Required. The GP this address belongs to.
Mail ID	Required. Where documents for that GP are sent.
Taluk	The taluk it sits in.
District	The district it sits in.
Contact Person	Who to ask for at that GP.

1. Fill in at least the Gram Panchayat Name and Mail ID.
2. Add the taluk, district and contact person so the entry is easy to find later.
3. Click Add.
4. Use the pencil on a row to correct it, or the bin to remove it.

Students

View Students, with filters and Export to Excel.

View Students

- Filter by District, Taluk, Gram Panchayat, Center or Caste, or search by name, registration number or email.

- The pencil opens a record for editing.
- Export to Excel downloads whatever the filters are currently showing - useful for reconciliation.

Create Student

The same seven-tab form used elsewhere: Account, Personal Details, Education, Job, Address, MSYEP Allotments and Documents. Zone and Center are required on the Address tab.

> The Password boxes on the Account tab are optional. Fill them in and the student can sign in immediately with their mobile number or email. Leave them blank and an administrator must set a password later from the Logins page before the student can get in.

If something goes wrong

Field	What to enter
"Waking up the server..."	Normal. Wait up to a minute.
A student shows NO_GP_EMAIL	Their Gram Panchayat has no mail ID. Add it on the Mail page and send again.
The send result shows 0 sent	The mail server could not be reached. Try again shortly.
A Gram Panchayat is missing from the dropdown	Add it on the Mail page.
A village is missing from the filters	An administrator adds it on the Location page.
