5. Entrance Test
6. Everyday tips

Version 1.1 · 23 October 2026

Registering for the first time

You create your own account. Open the portal, click the Student tab, then "New student? Create an account".

The student registration form.

What to fill in

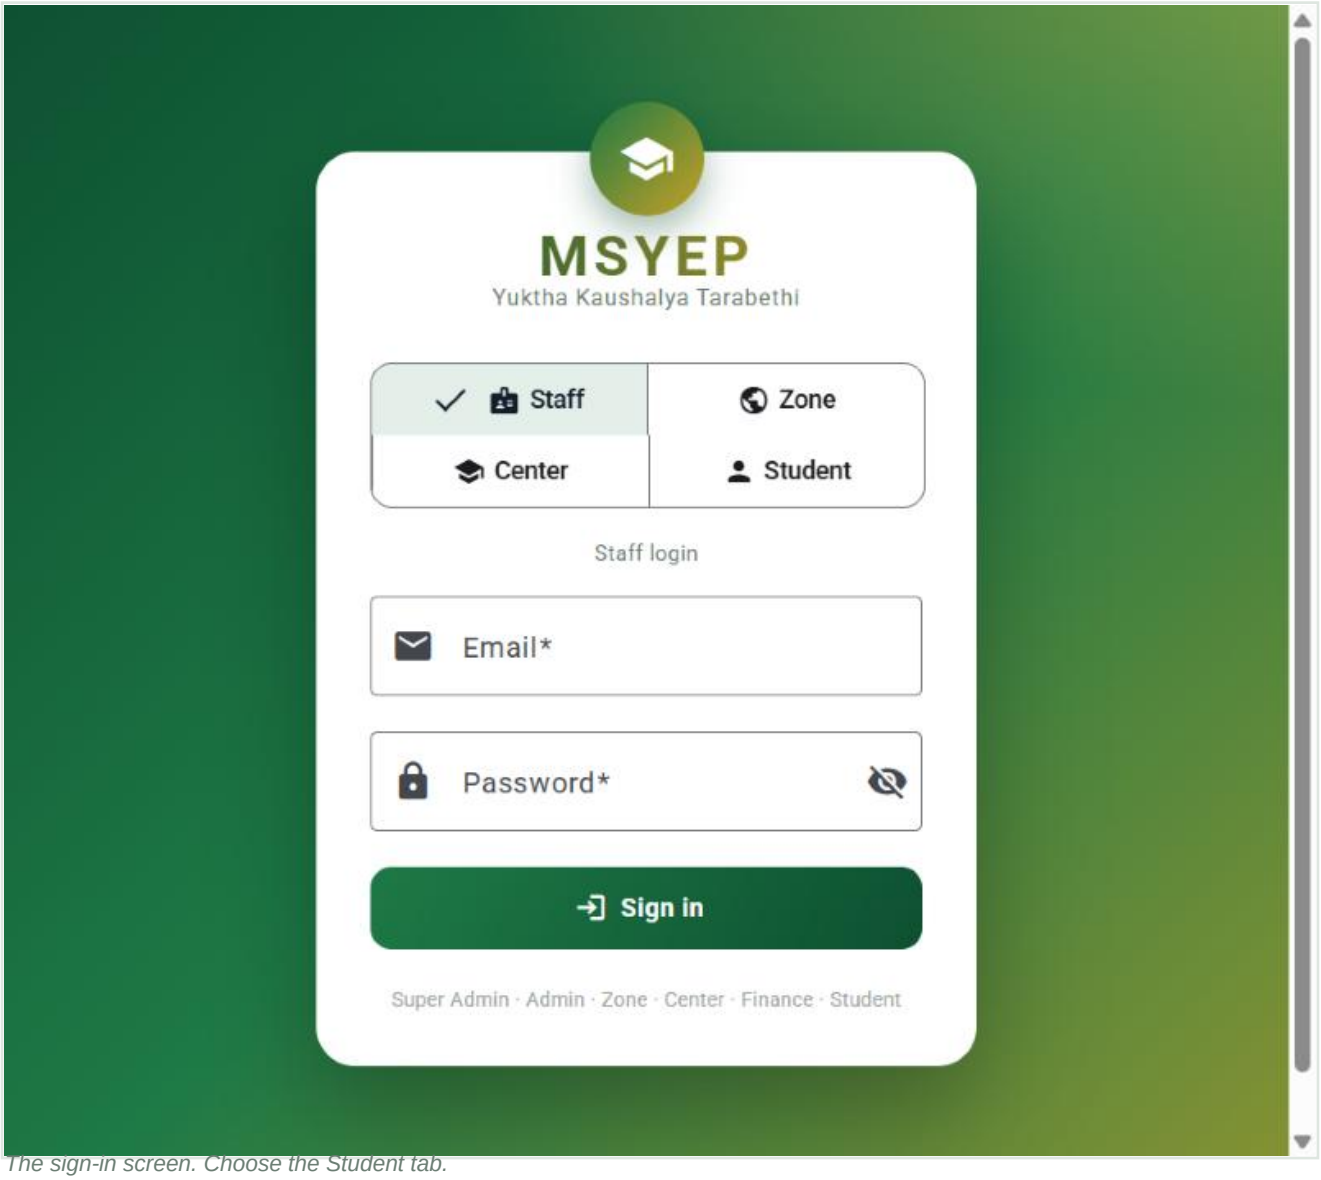

Field	What to enter
Full Name	Your name as it appears on your records. Required.
Mobile Number	Your 10-digit mobile number. Required - this becomes your username.
Email (optional)	If you give one you can sign in with it instead of your mobile number.
Create Password	Choose your own password. At least 6 characters. Click the eye to check it.
Confirm Password	Type the same password again. Both must match.
Zone	Your university / zone. Pick from the list.
Center (College)	Your college. The list fills in after you choose a zone.
District / Taluk or Town / Village or Gram Panchayat	Where you live.

Gender	Select from the list.
Date of Birth	Pick from the calendar.
Educational Qualification (optional)	Your current or highest qualification.

1. Fill in every field marked with a star.
2. Choose a password you will remember, and type it the same way twice.
3. Click Register.
4. You can now sign in straight away with your mobile number (or email) and that password.

> Write your password down somewhere safe. If you forget it you cannot reset it yourself - you must ask your college or an MSYEP administrator to set a new one for you.

Signing in

The sign-in screen. Choose the Student tab.

1. Click the Student button.
2. In the first box type your registered mobile number OR your email - either works.
3. Type your password. Use the eye icon to check it.

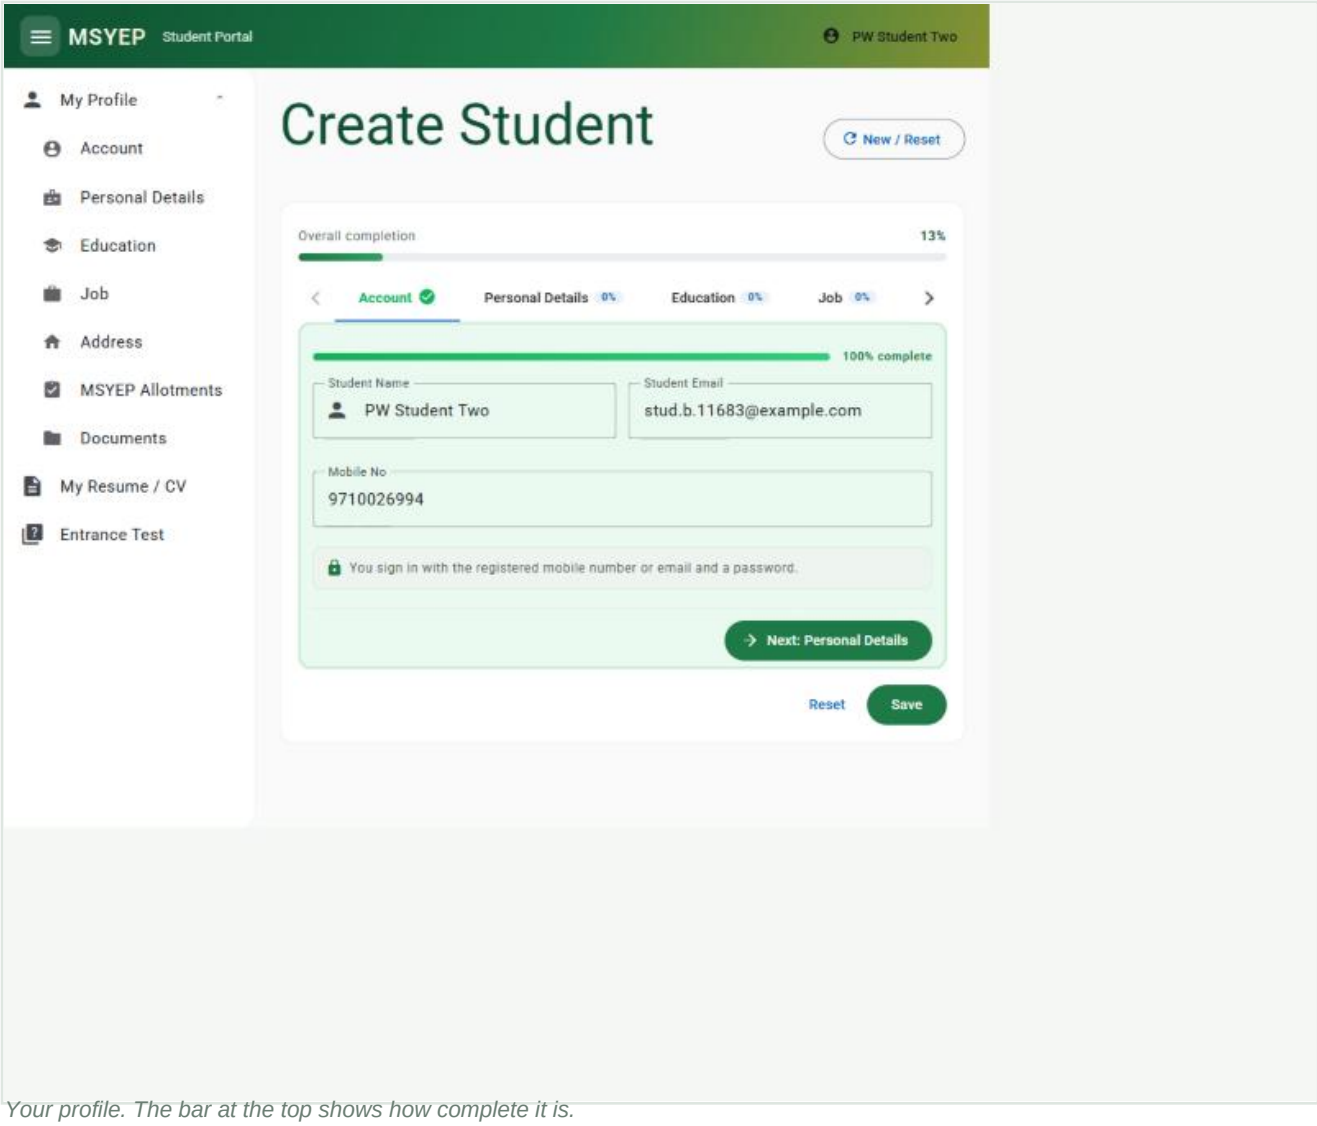

4. Click Sign in. Your profile opens.

> If you see "Waking up the server...", just wait. The server sleeps when nobody is using it and can take up to a minute to start. Do not keep clicking Sign in.

Problems signing in

Field	What to enter
Invalid username or password	Check your mobile number and that capital letters are right.
Account is disabled	Your login was deactivated. Ask your college or an administrator.
You never set a password	If your college created your record for you, ask them to set a password for you on the Logins page.

Your profile - the seven tabs

Your profile. The bar at the top shows how complete it is.

Your profile is split into seven tabs. The percentage on each tab shows how much of it you have filled. Click Save at the bottom - you can come back and finish later.

Fill in as much as you can: your profile has to be reasonably complete before you can generate your CV.

> Your passport-size photo is needed for your CV, so upload it even if you leave other documents for later.

My Resume / CV

The CV page lists exactly which fields are still empty.

The portal builds a formal MSYEP resume from your profile. There is a one-time fee of Rs.90; once you have paid you can download it as many times as you like.

Step 1 - complete your profile

If anything is missing the page lists it as buttons, as in the picture above. Click any one of them to jump straight to that field, fill it in, then come back.

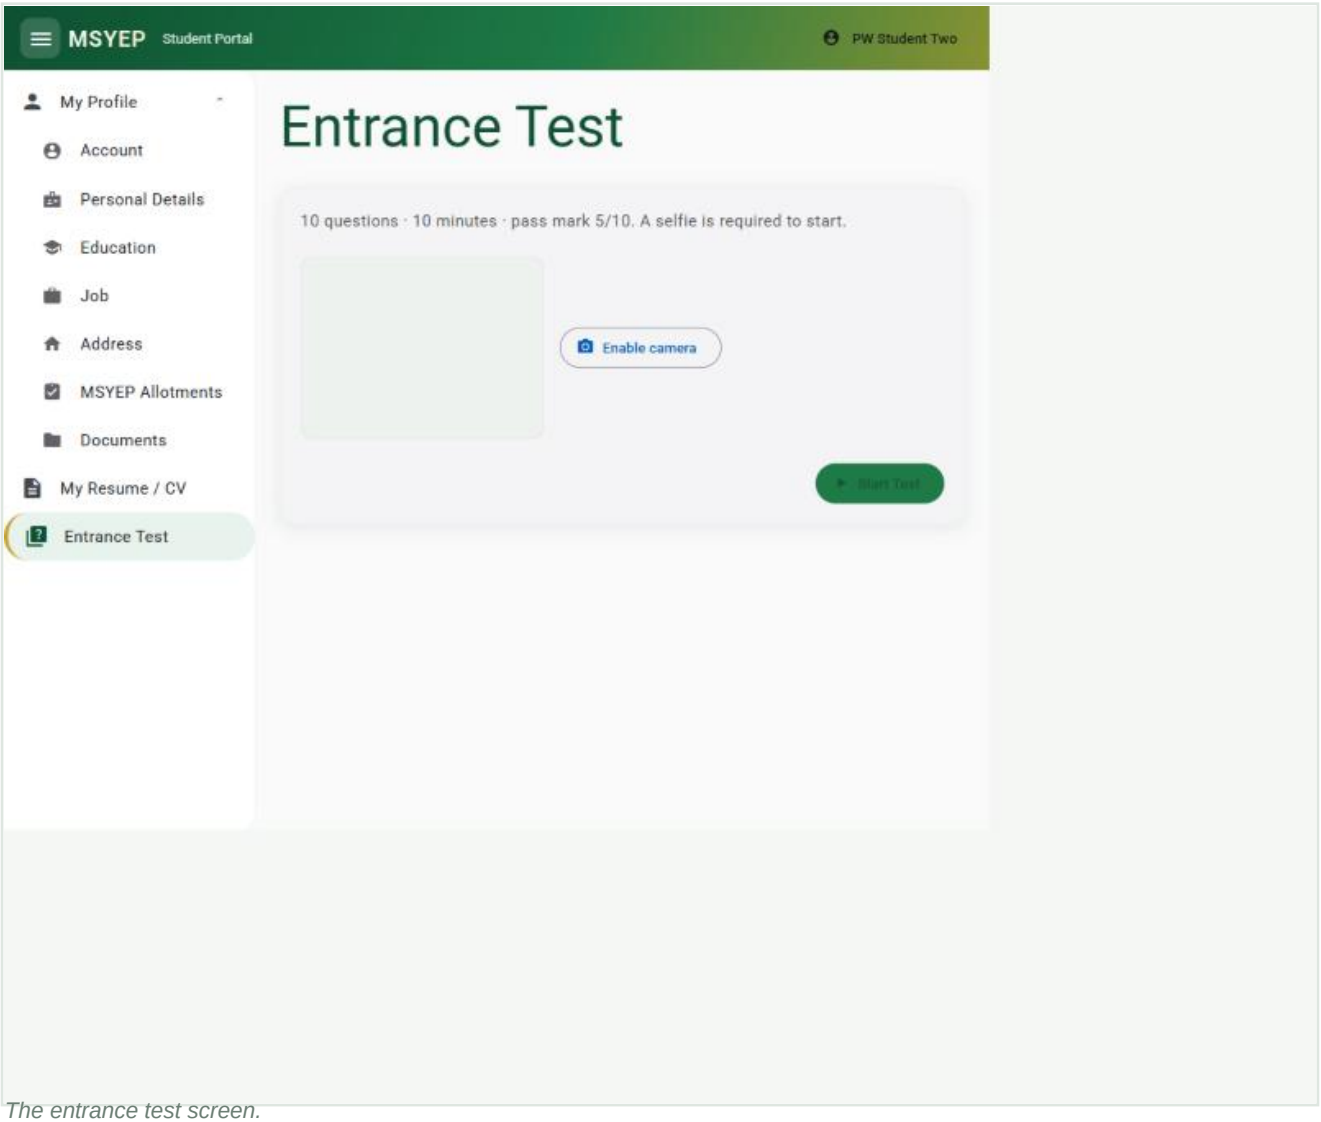

- Date of Birth
- Gender
- Educational Qualification
- Career Objective
- Technical Skills
- District
- Passport Size Photo

Step 2 - pay and download

1. When no fields are listed as missing, the payment button becomes active.
2. Pay the one-time Rs.90 fee.
3. Your CV is generated and downloads as a PDF.
4. You can download it again at any time at no extra cost.

> The fee is charged once per student, not per download.

Entrance Test

The entrance test screen.

Before you start

Field	What to enter
Questions	10 questions.
Time limit	10 minutes.
Pass mark	5 out of 10.
Selfie	Required. You must allow the camera before the test will start.

1. Click Enable camera and allow your browser to use it.
2. Make sure your face is visible in the box on the left.
3. Click Start Test.
4. Answer all 10 questions within 10 minutes.
5. Submit. Your result is shown and saved to your record.

> Find a quiet place with a working camera and a steady internet connection before you begin - the 10-minute timer keeps running once the test has started.

Everyday tips

- The menu is on the left. On a phone, tap the button at the top-left to open it.
- Click your name at the top-right to log out.
- Always click Save before leaving a profile tab.
- The portal works on a phone, so you can fill in your profile and upload photos from your mobile.
